President's Column

I've always claimed that Michigan has better archery programs than any other state. That goes for programs on the Club, Association, and State level. I've also been one who believes claims should be backed up by facts. After this year's indoor National Championship, I have the facts to back up my claim. Not only did Michigan have higher attendance than any other state (again), the number of National Championship silver bowls, medals, and national records broken was unmatched by any other state. Plus, Chris Schnur made the shoot off for the Professional men's championship. National Championship silver bowls were brought back to Michigan by Debra Ochs, Valerie Aten, Rocky Cummins Jr, Shelly Saxwold, Dick Hanlon, Ashley Montri, and Jerry Tesch. Congratulations to our National Champions and all the medal winners. I apologize if I missed mentioning any National Champions. Please let me know.

As we wrap-up our indoor season, it's time to start planning to attend our outdoor state shoots. First up is the Outdoor MAA 420 hosted by the Mid Michee Bowmen. Register early to get the shooting time you desire. I hope to see most of you there.

A reminder: Our Annual Board of Directors Spring meeting is scheduled for May 4th in Grayling. This meeting can be attended by any MAA member as a guest. The deadline to submit proposals for the agenda has passed, but proposals can be brought up at the meeting. Membership input is always welcome. I look forward to seeing you at the outdoor tournaments,

Yours in archery,
Mike

Lake Michigan Archery Association Archers Give Back

The second LMAA shoot held at Fremont Archers was a big hit. Our LMAA archery community came together in true archery spirit to support one of our own in need. All the money from the shoot, donations, and 50/50 was given to the Thad Bulthouse family. Thad has had some medical issues and is currently on the liver transplant list. We sure hope this helps him and his family as they go through these rough times. Thad made it up the stairs to thank everyone who was shooting. He looks better than when I saw him last and is in good spirits. He and his family have been very active at Fremont and the LMAA. It was heartwarming to see our archery family giving back. It's a great sport with great people and events like this one are proof. I heard around 80 archers came out to shoot. Way to go LMAA archers! To Thad, here's hoping you get better soon and get back behind that string!!!

If you would like to make a donation, please send it to fremontarchers@gmail.com via PayPal.
