# President's Column

Greetings fellow MAA members,

This is my last President's Column. The past two years have flown by. Accepting the President's position was a two year commitment from the beginning, with three goals to achieve. The three goals were mentioned in previous Columns in AIM magazine. First, have a functional, up to date Website. As an organization, we went too many years without a functioning Web site. We now have one. Thank you Sherry Lance for your time setting up the Website from the ground floor, and making it simple to use. The second goal was to create an MAA Marketing and Public Relations Manager as an appointed position. The job description has a wide range of duties that will benefit the MAA and the membership. This is a key position for the MAA's future. Selecting a person for this position was made difficult by having two excellent people that both had good attributes for the job. Ted Lemanski was selected and has been active in both the Marketing and PR roles. Thank you Ted for your time involved in getting things started in your position. The third goal was to make changes to our tournaments, and tournament processes that a majority of our membership want. The Outdoor MAA 420 is a unique tournament that is the Michigan Archers Association's round. I've received 14 suggestions from our membership that have been put on a survey. The results from this survey will help guide the MAA board in making decisions in which direction to take the Outdoor MAA 420. For example; One suggestion was to make the tournament a "Michigan Open", a "welcome to the MAA", type shoot with no membership required. Members pay a lower registration fee. Another suggestion was to have a shoot off, or shoot-down style format, after the round is shot, to decide the champion. There were also suggestions to change the date of the tournament. Whatever the Directors decide, it would likely be a combination of two or possibly three of the 14 suggestions.

The next Board of Directors meeting is October 19<sup>th</sup>, at the Days Inn in Grayling. A new President and Vice President will be elected, and they will start their responsibilities on October 20<sup>th</sup>. Also, 2020 tournament locations will be finalized at this meeting (tournament dates were set at the Spring meeting).

On a sad note, long time MAA member, outstanding archer & coach, and true archery gentleman Jim Beasley recently passed away. He will be missed by us all. Our thoughts and prayers go out to Jim's family.

The MAA has and will continue to be an important part of my life. It's been an honor to serve as it's President.

Mike
