

Michigan Archers Association

Date: June 28, 2019

Dear, Archery Shop owner

The Michigan Archers Association (MAA) is dedicated to providing All Archery for ALL Archers in the state of Michigan. Our mission is to provide and foster the practice of organized archery through tournaments and events. The MAA is governed by its Executive Officers and Board of Directors in conjunction with its Constitution and Bylaws.

We would like you to allow us to put a small display of the enclosed flyer on your front counter. In exchange we will put your shop name and or logo on our website.

Please advise if you would like to participate.

I will be in touch.

Regards,

Ted Lemanski

MAA Marketing and Public Relations Coordinator
